NEW YEAR & SEASON'S
GREETINGS

"Every new beginning
becomes more fruitful if
it is a reflection of past
experiences."

- Rtn. Jyothi Reddy

*Dear Parent,
Namaste!*

As we tread into the year 2019, I would like to extend warm greetings for the 'New Year' and 'A Happy Sankranti' to all our students and their families. A heartfelt 'Thank you' to all our Shriites, teachers, administrative staff, support staff, and my dear Shri parents who contributed to making the campus a vibrant centre for intellectual, personal and social development for one and all during the 'Mad About Environment' event. I would like to thank parents who made it a priority to be present and witnessed the spectacular event unfold. Parents and students who could not be a part of it were dearly missed. It was an opportunity for tremendous learning and a great exposure for our shriites. Look forward to 100% participation in our forthcoming events.

The release of the parent magazine was a moment of pride for both the school and the parent community. The initiative and the quality of the magazine has been well received and appreciated by all the stakeholders. We thank all parents who contributed and put in their efforts for the same. IDJ as a collective social initiative has also been a grand success. I thank all the students for their efforts to collect funds for such a noble cause. All the proceeds from the stalls set up during MAE have been mobilised towards various social causes.

A new year always ushers in the sense of renewal – a renewal of purpose and collective commitment to excellence in teaching, learning, research and service to our community. With this comes the firm resolution to achieve desired results and meet deliverables. I am enthused by the many exciting initiatives for our campus that are in the pipeline, all of which are intended to meet the tertiary education needs of our students and community stakeholders.

Our Let's Connect meetings are one such platform for a collective effort towards the betterment of the school. I hope you have received the gist of the conversations and the action points of our let's connect meetings held in the month of December. We will also be sending across a survey sheet for some joint decisions we would like to make for the upcoming academic session 2019-20. Request you to fill it in positively.

We cherish this journey that you have embarked upon along with us and look for long lasting partnerships. However, we do understand that we need to sometimes part ways due to transfers or other genuine reasons. In order to make necessary plans and preparations for the upcoming year we would like to know the intent of continuity of your ward at TSUS. Please keep us informed regarding the same.

The fee-structure for the year 2019-20 will be uploaded on Shri Connect by 15 January 2019 for your reference.

In the new year we also continue to urge you to focus on punctuality and regularity of students as we would be planning learning journeys (field trips) for the term and the academic rigour would catch momentum too. Please be informed that scholastic and co-scholastic assessments are scheduled in the months of February and March.

Thanks to our partners like you, 2018 was a very successful year for us. We were able to exceed our goals because of your trust and support. Thank you so much! I wish you a new year filled with peace, joy, and meaning.

Warm Regards,

Jyothi Reddy.
