NEW YEAR & SEASON'S
GREETINGS

*“ Performing our duties
and shouldering our
responsibilities is more
purposeful than claiming
our rights”*

-Rtn. Dr. Jyothi Reddy

Dear Shri Parents,
Namaste!

Wishing you all a very Happy New Year 2021, full of hope, happiness, and fresh energies. I hope you all spent quality time during the short Pongal break and are ready for the final lap of the academic year. At the outset, I would like to thank you for your relentless support in the year 2020. Despite the challenges, the year has been a rewarding one.

The year 2020 ended with high spirits and a sense of accomplishment. Shri Hunar was a great success thanks to the efforts put in by our students, the activity team, and undoubtedly you, our Shri Parents. Yet again, you stood by us in complete trust and helped us attain yet another milestone – The installation of the Interact Club of TSUS, Hyderabad. It was a remarkable day for so many reasons, one of them being, it was our first physical event conducted on the school premises.

Taking this further, we shall be sending across survey forms with regards to final exams for senior grades and also reopening of physical school. I urge parents who receive these forms to promptly fill in and submit the same. Your support is solicited as it will enable us to take well-informed decisions and plan in the best possible way.

I would also like to take this opportunity to thank parents who have stood by our side and promptly made the fee payments. This has been instrumental in enabling us to deliver the best

quality output and sustain ourselves during the year gone by. A sincere request to parents who have not paid the fee to do the needful as we are in the last lap of the academic year.

A steadfast focus on academics and bringing in varied tools and leveraging technology to enhance student learning has kept our students motivated. It is heartening to receive acknowledgment and appreciation from parents who have congratulated the team for accomplishing a lot more than expected on the online platform. The team's goal has been to provide students with as many opportunities to grow and learn despite the challenges thrown by the Pandemic. It makes my heart swell with pride to share that we have been able to execute all calendared events, participated actively in external competitions with no compromise on the syllabus completion.

The book week saw eminent authors in detailed discussions, Q & A sessions, and more, where our Shriites enthralled every guest with their knowledge, thoughts, and perspectives. Divergent events both curricular and co-curricular have been successfully planned and executed and students have shown immense agility by participating actively and working diligently to give their best.

The month of January has been a great start to the year 2021. The interschool event All About Environment hosted by TSUS, Palava in which our students won innumerable accolades is the testimony of our students' undeterred spirit.

The recently culminated Math event - Math-a-thon hosted by SEL started off on a high spirited note as it was one of our Shriites who won the Logo Design competition and the logo used for the event was the pride of TSUSH.

It brings me immense joy to share that our students have brought glory to the school by participating in various inter-school events emerging victorious in various categories.

A small glimpse of our students' achievement in the recent events -

Inter-school Event	No. of prizes won by TSUSH
Impulse by Meridian School	2
Shri Expressions - SEL	15
PEAS Ecoscopy	1
Math-a-thon - SEL	6
All About Environment - TSUS, Palava	8

Another proud accomplishment is our annual signature event - All About Art which was launched with great aplomb even in the virtual world. From renowned artists addressing our students to our teachers and students taking center-stage to conduct workshops for parents, and not to forget the month and a half long celebrations shall culminate with Shri Kala Manch - the art curation across grades. I urge you all to attend the events in large numbers and encourage our shriites for their dedication and hard work.

As the year 2021 settles in, the academic year 2020-21 comes closer to its end. All important dates for the next 2 months including the last working day, the date of reopening for the new academic session will be shared soon.

I have always believed that success always comes with heightened responsibility. The year 2020-21 has been a year of accomplishment given the circumstances in which we operated.

I am proud to share that some major decisions pertaining to the academic year 2021-22 are being considered, following and abiding by all the government directives. It is my assurance that we shall gear up for any possible scenario with adequate measures and processes in place. Strategic planning for the academic session is in full swing and as we reflect upon the year gone by, we are gearing for the next big leap into enhancing the quality further and providing the best learning experience for our Shriites.

I would like to conclude by expressing my gratitude to my Shri Parents, who encouraged, acknowledged, and appreciated me for my recent accomplishment of authoring a book. I would like to share that the thought behind the book stemmed from 2 important sources. One was my own children who shared some wonderful insights of their growing years. Secondly, the visible struggles of parents during the onset of the pandemic. In my own simple way, I have tried to throw light on some simple yet significant aspects of parenting. Hope it will benefit you as a parent and help you gain a new perspective.

On this note, I would like to sign off wishing you all a very Happy Republic Day.

Stay Safe, Stay Healthy, Stay Happy.

Warm Regards,
Jyothi Reddy
